## YESTERYEAR AROUND CALEDONIA STATION

No. 19

1978

Shown here is evidence of the continued growth of the Caledonia Schools. At the left is the old High School building, first used in 1892, and which continued in use until being torn down in 1956. On the right is what is now known as the "B" Building of the present Junior High School. This building, built in 1921, continues in use today.
