Per Section 8.18 (3) Sound Amplifiers of the Village Ordinance Code: No licensee shall use, operate or employ any such sound amplifying device within the Village limits on Sunday; no licensee shall use, operate or employ any such device within a radius of two blocks from any funeral home, church or cemetery while funeral services are being held at such location.

Use of Sound Amplifiers without a permit authorizing such equipment constitutes a violation of the Caledonia Code as a Class I Civil Infraction with associated fines.

Any violation of, or failure to comply with, the provisions of the Caledonia Code listed in this subsection shall be a municipal civil infraction, for which the fine shall be \$15 for the first offense and \$50 for a subsequent offense, in addition to all costs, damages, and expenses provided by law. For purposes of this section, "subsequent offense" means a violation of this Ordinance committed by the same person within six months of a previous violation of this Ordinance for which said person admitted responsibility or was adjudicated to be responsible, provided, however, that offenses committed on subsequent days within a period of one week following issuance of a citation for a first offense shall all be considered separate first offenses.
